Labor Clearance Cam For Big Stroke				Precision ground / clearance for strokers.			CS-563 \$50.00
Bolts & Washers				Kit includes 3 bolts / washers. Please note new billet cams are supplied with them. Price Per Set (3).			CB-009 \$1.75
Cam Gear				New aluminum bolt-on gear, non adjustable.			00-463 \$50.00
Cam Gear, Adjustable Straight Cut EMPI Steel				Steel cam and crank gear set with straight cut teeth creates less drag for increased horsepower. The design reduces thrust load on the cam bearings preventing premature failure. Cam timing is adjustable with the special off-set washers. Manufactured from 8620 Carbon Steel for superior strength along with lightweight cam gear design makes this the ultimate cam gear set to use. Kit includes 5/16" - 24 SAE Grade 8 bolts and washers for easy installation. Fits all 1200 1600 Type 1/2/3			00-493 \$125.00
Lifters NEW Lube-A-Lobe				Made from a specially hardened iron alloy, then precision ground to exacting radius and finished to insure long life. This lifter has a added oiling hole on the face for better oiling. Use with all new cams. Price Per Set (8).			00-214 \$110.00
